ALLIES BATTER AXIS DEFENSE IN EGYPT

Meandering Along the Main Stem

By WASH FAYETTE
Ever since Elmer Zimmerman walked into the office Thursday afternoon and handed me a red delicious apple about the size of a cantaloupe . . . I nearly said watermelon . . . I knew exactly how farmer, Timothy Hay, felt when he went to the Zoo, saw the first giraffe and after giving it the once over, said:
"There jest ain't no sich ani-mule!"
Every time I look at that apple I want to say, "There jest ain't no sich apple!"
Really, folks, it is by far the biggest red delicious apple I have ever seen, and Elmer assures me he has many others equally as large and bushels and bushels of others that would put the average apple to shame.
After recovering somewhat from the surprise over such a monster I picked up a one foot rule and found that the apple is nearly 13 inches in circumference . . . and that is some apple to say the least.
This fine specimen of fruit from the well known Zimmerman orchards just goes to prove once more what we have known for so many years . . . that Fayette County can and does produce just as fine fruit as any place in the world. It is to be regretted that more farms do not have orchards on them so that Fayette County would not have to import about nine-tenths of its fruit from other resources.

I watched the shoppers try and try again to obtain coffee during the busy hours in the food markets, Saturday, and heard various expressions of disappointment when they found no coffee was available most of the time at most of the places.
Favorite brands were forgotten and to the coffee drinkers right now every kind of coffee is, as one brand is advertised, "good to the last drop"—only the last drop comes all too quickly.
I overheard one woman say that she had not been able to buy a pound of coffee for two weeks.
Two others were chatting freely together, after expressing their disappointment over being unable to obtain more coffee, and one said frankly:
"Well I've got 14 pounds laid aside that I bought several weeks ago."
"And I only have 8 pounds in reserve," said the other woman.
From other information picked up I am firmly convinced that part of the coffee shortage is due to the "reserve" that was laid up sometime ago.
As there is every reason to believe the shortage will continue, due to present decreased importations from Brazil, I fear that a lot of my friends and the great American public generally are in for a severe headache—if lack of coffee causes headache!

PRICES OF LIQUOR WILL GO UP NOV. 1

WASHINGTON, Oct. 26.—(P)—With the sole exception of draft beer, the consumer will begin paying more for alcoholic beverages—from package liquor to a "straight drink"—beginning Nov. 1.
The Office of Price Administration disclosed this today in outlining methods by which distillers, wholesalers and retailers may pass on to the consumer increased federal excise taxes provided in the recently-enacted tax bill.
In the case of draft beer, OPA said the amount of the tax increase was too small to pass on to the consumer.
OPA cautioned distributors against increasing their ceiling prices more than the tax increase.
The tax rise on domestic whiskeys will not be uniform, since it is based on proof. The retailer thus may increase his ceiling prices 50 cents a quart for 100 proof, 45 cents for 90 proof, and 40 cents for 80 proof.
THREE ESCAPE PRISON
CHILLICOTHE, Oct. 26.—(P)—Three prisoners escaped from the federal reformatory here early today, prison officials reported. The method of escape was not determined immediately.

COFFEE RATIONS ARE DECREED TO EASE SHORTAGE

One Cup a Day for Every Adult Is Way OPA Has Figured Distribution
BUT NONE FOR CHILDREN
One Pound Every Five Weeks To Be Allowed Adults; Axis Subs To Blame

WASHINGTON, Oct. 26.—(P)—Coffee will be rationed starting at midnight, Nov. 28, at a rate of one pound every five weeks for each person over 15 years old, the Office of Price Administration announced today.
On the basis of 35 to 40 cups to the pound, the ration means slightly more than a cup a day per person.
Retail sales will be halted at midnight, November 21, Price Administrator Leon Henderson said, for a week-long freeze during which grocers will stock their shelves for the start of rationing.
The first rationed coffee will be purchased on the last stamp in the sugar ration book, stamp No. 28. Subsequent rations will be issued by working backwards through the sugar book, using stamps No. 28 to 19, in sequence.
The War Production Board ordered OPA to take control of consumer distribution to assure an equal supply for all, Henderson said, and attributed the emergency action mainly to "excessive buying by consumers."
"There is no reason for anyone to run to the corner grocer, put the squeeze on him and try to force him to help a hoarder," Henderson declared. "There is absolutely no excuse for hoarding coffee at this time."
Eligibility will be determined by the age shown on war ration book No. 1—the sugar book. If the age shown when the book is issued in May was 15 or older, the holder is entitled to coffee rations; if 14 or younger, the book is not valid for coffee purchase.

FIRST LADY CALM IN AIR RAID ALERT

Mrs. Roosevelt Speaks on as Sirens Wail
LONDON, Oct. 26.—(P)—Mrs. Franklin D. Roosevelt heard her first British air raid alert today while addressing a group of girls at the Home Counties Auxiliary Territorial Service Training Center. Obviously unperturbed, she continued talking. The girls cheered when she had finished.
Earlier, she had visited an ATS base at a Home Counties airport and talked to a group of 22 American girls who are ferry pilots.
After a visit last evening with King George and Queen Elizabeth in the country Mrs. Roosevelt spent the night at the country home of Prime Minister and Mrs. Churchill.

HITLER DENOUNCED BY LAGUARDIA IN ITALIAN RADIOCAST

NEW YORK, Oct. 26.—(P)—Mayor F. H. La Guardia has been carrying his fiery denunciation of Hitlerism right to the breakfast and dinner tables of Benito Mussolini's followers in regular weekly short wave broadcasts.
For two months in their own tongue, blunt-spoken La Guardia has urged the people of Italy to passive revolt, listing for them the abuses Germany has piled on them.

Farm Price Ceiling Row Breaks Out Violently

WASHINGTON, Oct. 26.—(P)—Senator Aiken (R-Vt.) told economic director James F. Byrnes today that he believed a presidential order directing that benefit payments be taken into account in fixing farm price ceilings was based upon what he termed a "deliberately false" interpretation of the price control law "surprisingly" put into the Congressional Record by Senator Brown (D-Mich.).
Byrnes told the senate agriculture committee that if he believed President Roosevelt's executive order was in violation of the law he would ask that the order be changed, and that if he had such doubts about the validity of the order and it was not changed, that he would resign.
The former supreme court justice, who resigned to take over the direction of economic stabilization, insisted that the president was justified in constraining the price control and other acts as he had.
Senator Aiken and several other committee members contended that in passing the act, congress had provided that no farm price ceilings could be set below parity. (Parity is a price calculated to give farmers the same return as in a past favorable year.)

Hong Kong Ablaze After Assault by American Bombers

Yank Bombardiers Plant Bombs in Target Area of Jap-seized Stronghold with Devastating Accuracy—China Rejoices As Allied Air Offense Gathers Momentum
(EDITOR'S NOTE: Quiet-spoken J. Reilly O'Sullivan, Associated Press war correspondent who served as an Air Corps Lieutenant in the first World War, went along aboard an American bomber Sunday in the first Allied raid on Hongkong. Forty-one and a native of Kansas City, O'Sullivan has followed this war across Europe, the Middle East and Asia. He tells in this dispatch of his bombardier's eye view of the destruction inflicted yesterday upon the former British crown colony at Hongkong.)

By J. REILLY O'SULLIVAN
WITH THE U. S. ARMY AIR FORCES IN CHINA, Oct. 26.—(P)—American bombers cascaded explosives on Hongkong early today for the second time in 24 hours, adding new fires to those started in a devastating Sunday assault, and smashed again at the frequently raided Japanese White Cloud Airfield near Canton.
After setting the Hongkong waterfront aflame yesterday, Lieut. Gen. Joseph W. Stilwell's headquarters announced, today's raiders destroyed the North Point power station there, planting every one of their bombs in the target area.
At Canton many fires were started and a heavy explosion was noted in the vicinity of the airfield. Both missions were accomplished today without the loss of a plane despite Japanese efforts at interception.
As a passenger in one of the Sunday raiders I saw the American bombers starting mammoth fires in Hongkong and I watched challenging Japanese fighters planes shot down in flames by American bomber gunners and fighter pilots.
The blows by the United States air forces were greeted with rejoicing in Chungking and the word on all sides was that the big American aerial offensive was on. All occupied China now is within range of the Allied bombers.
United States medium bombers protected by fighters scattered high explosive and incendiary bombs among the warehouses and ships in Hongkong yesterday, surprising the Japanese conquerors of the British Crown colony.

CONVICTED KILLER MAY WED IN JAIL

Dice Girl Would Remarry Husband She Deserted
CHICAGO, Oct. 26.—(P)—Mrs. Eleanor Williams, 25, blonde dice girl who was convicted of slaying her sweetheart, will remarry her former husband in a jail ceremony tomorrow, providing the warden gives his official sanction.
The jail wedding announcement followed Mrs. Williams' conviction of manslaughter yesterday in the slaying of Gordon McNaphten, 32, former Boston Red Sox pitcher, after she had trailed him to a hotel room he shared with another blonde, Mrs. Dorothy Moos. The former husband, Clarence Williams, a telegrapher, said he wanted to marry her "right away" despite the 1 to 14 years mandatory prison sentence the conviction carried. They have a daughter, 5.

YOUR INCOME TAX It Costs Money to Win a War

By JAMES MARLOW and GEORGE ZIELKE (Wide World News Service)
WASHINGTON, Oct. 26.—Your individual income tax is going to give you a jolt, so you'd better start figuring out now just how much of a bite it'll take out of your pocketbook.
In the first place, you'll have to take into account the fact that your paycheck is going to be tapped before you get it, starting January 1, because then your employer will begin deducting the 5 percent special "Victory Tax"—and although that tax provides for rebating part of the money, the sooner you can get any of the rebate is March 15, 1944.

More Nips Landed in Solomons

Invading Armada Pounded Incessantly by Americans From Air and Sea
WASHINGTON, Oct. 26.—(P)—Despite incessant pounding of their naval supports, the Japanese have landed fresh troops on Guadalcanal and are hammering determinedly at American defenses.
The Navy reported last night that enemy troops, using tanks and heavy artillery barrage, threw themselves against the western defense lines five times Friday night and Saturday morning.
Each time they were hurled back.
The first four attacks were repulsed by Army and Marine Corps troops and artillery batteries, which destroyed five enemy tanks. There was no mention of American tanks in action.
The fifth onslaught, early Saturday morning, was broken up by aircraft and artillery, with the loss of one United States plane.
Yesterday morning additional enemy troops were landed from transports on the northwest end of Guadalcanal, the Navy reported, adding:
"No amplifying report on these operations has been received."
American bombers and fighters, sweeping out from the Guadalcanal Airfield and other Allied bases, continued to slam

ILLICIT LOVER HELD FOR DEATH OF NURSE

Suspect Found Lying Across Body of Slain Woman
EAST HAVEN, Conn., Oct. 26.—(P)—A man found lying across the body of Mrs. Jessica Garrup, screaming, "You can't die, Jessica! I love you!" was held without bail on a coroner's warrant today pending investigation into the shooting of the 27-year-old attractive blonde nurse.
The man, said Coroner James J. Corrigan, was Dr. Robert F. Kurz, a middle aged New Haven chiropractor whom East Haven police found sobbing hysterically over her body as they entered a shore cottage here late yesterday in response to an anonymous telephone tip.
Corrigan said Dr. Kurz, married and the father of two children, denied killing Mrs. Garrup but admitted ownership of the .32 calibre pistol with which she was shot in the abdomen.
Police found at the cottage, beside Dr. Kurz, his 80-year-old mother, who is partly blind, and Mrs. Garrup's two children, a son aged five and a six-months-old daughter.
The coroner said Mrs. Garrup, long separated from her husband, had been engaged to care for Mrs. Kurz who made her home at the cottage.

UNITED NATIONS PRESS OFFENSE IN DESERT WAR

Yanks in Air Attack on German Positions To Soften Up Opposition
REDS HOLD IN STALINGRAD
Turning Point in Two Main Battles in Europe Not Far Away, Indication

By CLYDE A. FARNSWORTH (By The Associated Press)
Shielded by the British-American air armada which formed the first wave of attack, the Allied offensive in Egypt rolled forward today—infantrymen of many lands, tanks and mobile artillery—toward a knockout test with the Axis African Corps.
Action in the South Pacific and Asia likewise reflected the growing might of United States and Allied aviation.
The Japanese, moved by fear, struck at American-British air bases at Chittagong and Tinsukia in eastern India in what Domei agency frankly called a "preventive measure against materialization of a contemplated major-scale assault by joint forces of the United States, Britain and Chungking" against Japanese-held Burma.
The Japanese claimed that more than 39 planes were destroyed aground and three in combat. The British reported, however, that both damage and casualties were slight.
The struggle for Stalingrad meanwhile continued with appalling German casualties the major result of strenuous efforts to break the Russians' grip on their ruined city.
It was evident that the main battle forces in Egypt—Britain's melting pot eighth army and the German and Italian divisions under Marshal Rommel—had not yet tangled although the eighth army has been on the offensive since Friday night.
When they do clash it will be a terrible melee, involving about a quarter million men in all and the immediate future of the war for the whole Mediterranean zone.
The Allies, with some of their forces reported half-way through Rommel's four-mile-deep minefield in one sector, reported today that 1,450 German and Italian prisoners had been taken up to 6 P. M. Sunday and that the Axis forces had failed to dislodge Allied troops from their initial penetrations.
Yanks in Air Attack
The Allied air force, numbering many American planes and pilots, continued to attack the length and breadth of Rommel's defense zone between the Mediterranean and the forbidding Qattara Depression about 40 miles to the south. The battle line is about 70 miles west of Alexandria.
An increase in enemy air activity where the Germans and Italians previously had all but vanished from the skies was reported by British headquarters.
Allied bombers attacked Tobruk, Libyan supply port for Rommel, and blew up a merchant ship with a direct hit.
The Sunday score for the Allies in Axis planes destroyed in the Mediterranean-African area was 18, as against the acknowledged loss of three Allied planes.
The Italian high command said that a British attempt to land troops deep on the sea-girt flank of the Axis, at Matruh, Egypt, had been repulsed as had all frontal assaults.
Allied Air Power
War reports from North Africa, the Southwest Pacific and China testified today to the growing power of United Nations aviation, but probably its most vital role was that of participation with the RAF in the unfolding battle of Egypt.
There American airmen and American planes were matched

Lions Get Ready to Go After Sixth Victory

The light, fast and aggressive Washington C. H. High School Blue Lion football team will invade the lair of the Bobcats at Grandview next Thursday afternoon.

The Lions, happy over their defeat of the Dayton Fairmont eleven Friday night by a score of 20 to 7, will be there with "bells

on." They will attempt to make the Grandview game their fifth straight win and sixth of the season.

The Lions season opened successfully with the Portsmouth East Tartans meeting them and getting plastered 13 to 0. Over a dozen of East's players were carried from the field. In the second game of the season the

Chillicothe Cavaliers defeated the Lions by a 6 to 0 score. In the third game, the Lions mobbed the Wilmington Hurricanes in the first South Central League game of the season by a score of 28 to 6. The next week brought on the tough Greenfield Tigers, formerly coached by Gerald "Red" Armstrong, now coach at Denison University. The Tigers,

the Lions bitterest rivals, were defeated in the last three minutes of the game by a score of 20 to 13. This was the second SCL game. The Lions played their third the next week at Hillsboro and defeated the Indians by a 20-0 score. Last Friday night the Dayton Fairmont Dragons were taken down a notch or two when they were

upset in the fourth quarter, the score having been tied since the first period. The Grandview game is next in line for the Lions. This game will be played Thursday afternoon at 3 P. M. in Grandview. The Bobcats surprised the fans last Friday night when they tied Bexley 12-12. The Bexley Blue Lions are the

next foe on the Washington C. H. Blue Lion schedule after the Grandview battle and the game will be played in Washington C. H. The WHS Lions stopped the Bexley Lions in their tracks last year by defeating them by a score of 13 to 7. It was Bexley's first defeat in two seasons. Both Lion teams battled to a tie score two years ago.

The WHS squad is being mass-terminated this season by head coach Jerry Kissell and assistant coach George Miraben. The Lions will meet the Circleville Indians for their last game of the season on Nov. 13. Both teams are in the race for South Central League honors and the winner probably will be decided when they meet. The Greenfield

Tigers are also in the running with only one loss. Wilmington is completely out of the race, having won one and lost three. Hillsboro is about in the same boat with three losses. However, both teams, Grandview and Washington C. H., are about evenly matched this year and the winner will be hard to pick.

-Spying- On Sports

By Hugh Fullerton, Jr.

NEW YORK, Oct. 26—(AP)—Joining back, going ba-a-ack, going back to Nassau Hall. . . . Suppose every old grad gets that feeling about his college sometime, but it didn't hit you until you went down to Princeton to cover the Princeton-Brown game last Saturday. . . .

The place hasn't changed much. . . . Of course, the walks seem a lot longer now. Those khaki and blue uniforms all over the place. Still, when you were a freshman twenty years ago there were some fellows around who had been in the "Princeton Navy" in the other war—twenty years ago? Maybe that's why those boys who knew look so broad of beam and thin of thigh now.

The stadium looks the same, except that you sit in a reasonably comfortable, covered press box now instead of out on the hard concrete. . . . And you don't have the enthusiasm you had for Bully Dickinson's team back in '22. . . . Remember, that was when Bill Roper told you, "A team that won't be beat can't be beat." . . . And he was right.

You saw your first Yale game that year, too. . . . Princeton wasn't supposed to win that, but Yale couldn't get past the one yard line and you won 3-0. . . . This year's team is a lot like that one. . . . These kids weren't supposed to beat Navy or Brown or to tie Penn., but they did it.

Some of the other seasons weren't so successful, but they bring back their pictures. . . . When Notre Dame's Four Horsemen came in and handed you a Tigers couple of lickings. . . . And don't forget Jake Slaughter's great run that beat Yale your senior year, nor the way Ed McMillan and Turk Gates ruined opposing lines.

You're back on the campus again in the quiet of dusk, the crowd gone, and you see Princeton as you like to remember it. . . . Say, fellow, what are you getting sentimental about? You've lived within 60 miles of the place for 15 years and you haven't been going back.

Ten Unbeaten Teams Left In Football

NEW YORK, Oct. 26—(AP)—Only four college football teams throughout the nation remained unscathed on today but at least 33 others still were unbeaten and untied, some of them after playing as many as six games.

Tulsa (Okla.) University boasted the outstanding spotless record, having piled up 256 points without yielding a score in five games, but the high scorer in the unbeaten ranks was Fresno State, which swamped Fort Ord, Calif., 80-0, yesterday for a five-game total of 27 points against only six for its opponents.

The top unbeaten, untied teams, with their season's records:

Team	Games	Points	Op.	Pts.
Tulsa	5	256	0	
Wartburg	4	65	0

NIP AND TUCK RACES LOOM IN BOWLING LOOPS

Montgomery Ward Girls Top Ladies League—Industrial Circuit Scrambled

There will be no romps in to easy victories in the Industrial Bowling League this year unless some of the teams have an unexpected collapse.

The team standings at the end of the first two weeks of the schedule are ample evidence that the circuit is the best balanced, from end to end, of any that have been formed here in recent years. In the past, there have been close races, but they have been between a few outstanding teams while the rest of them floundered along in the ruck listlessly.

The Warner Service boys and Albers Marketers are now on even terms at the top but they did not get there by any easy pickings. They have lost two games already and they have played but six. By the same token the Pioneer Corn crew and Pennington Bakers are keeping each other company in the basement but they are not without the comforting knowledge that they can win games.

The Cleo Colas and Pure Pointers are in the middle of the standings with an even break on their schedule.

In the Ladies League, the situation appears to be somewhat different. There the Montgomery Ward girls are at the top of the heap with an unblemished record while the Farmerettes are at the bottom without having a taste of victory.

The quintettes representing Light's Dairy and Craig's Air Step Shoes have won five games in such convincing manner, however, that at least a three-team battle for honors is already developing. Individual games by the other teams is evidence that they, too, may make things tough if and when they can develop some consistency.

Team	W	L	Pct.
Montgomery Ward	6	0	1.000
Light's Dairy	5	1	.833
Craig's S. Shoes	5	1	.833
Hawkinson T. S.	4	2	.667

Steuber Leading Football Scorers

NEW YORK, Oct. 26—(AP)—Bob Steuber, left halfback for the University of Missouri football team, annexed 20 more points Saturday and easily retained his grasp on the nation's scoring honors—83 points.

Frank Sinkwich of Georgia, playing only part time against Cincinnati, got three touchdowns, raised his total to 66 points and took over second place. Gene Fekete of Ohio State, erstwhile runnerup, grabbed eight points in his team's win over Northwestern but skidded to third with an aggregate of 60.

Mighty Bears To Get New Head Coach

CHICAGO, Oct. 26—(AP)—The mighty heritage of the Chicago Bears—one of football's greatest organizations—will pass on to a new head coach this week.

Speculation centered on either Luke Johnson or Hooty (Hunk) Anderson as the man to maintain the pro grid dynasty built around the T formation by George Halas, who expects to take up duties in a few days at a midwestern naval aviation base as a lieutenant commander.

"I will name my successor Thursday or Friday," Halas said, after watching his Bears give him a sendoff by smashing the Philadelphia Eagles 45 to 14 yesterday. Halas has coached the Bears to five national championships. Now they appear headed for another.

The Bears meet the Detroit Lions in Wrigley Field this Sunday while the Chicago Cardinals go to Green Bay, Cleveland to Brooklyn, Pittsburgh to New York and Philadelphia to Washington.

The Lions suffered their sixth straight set back yesterday when the Packers rumbled to a 28 to 7 decision.

The Washington Redskins tightened their hold on the eastern division lead by whipping the Pittsburgh Steelers 14 to 0. The Brooklyn Dodgers conquered the New York Giants 17 to 7, and the Cleveland Rams, making several hardy goal line stands and shaking off the passing spell cast by Rookie Bud Schwenk, managed to slide by the Chicago Cardinals 7 to 3.

Bucks Are Still On Top Of National Football

By AUSTIN BEALMEAR

NEW YORK, Oct. 26—(AP)—With most of their interconference struggles and non-conference "breathers" out of the way, the nation's college football teams this week began separating the champions from the also-rans.

The Midwest again will have a corner on the so-called "naturals." The Big Ten Conference reaches a show-down stage.

Ohio State, which lived up to its No. 1 national rating by knocking off Northwestern, 20-6, Saturday for its fifth victory of the year and the third in the conference, meets unbeaten but once-titled Wisconsin in the day's top tilt in that league, if not in all the land.

Wisconsin topped Purdue, 13-0, in its first conference outing Saturday and moved in among the loop's first three.

Illinois, knocked out of the undefeated ranks by Notre Dame, 21-14, will go after victory No. 3 on a clean conference slate against Michigan, tripped by Minnesota, 16-14. North-

western will try for its first league win in four starts against Minnesota and Iowa, 14-13 winner over Indiana, will tangle with Purdue. With no league opponent to play, Indiana must tackle the well-rested Iowa Pre-flight Seahawks.

Notre Dame, getting better by the week, moves into Cleveland for a go at a Navy team that has won and lost on alternate Saturdays and was sunk, 21-0, by unbeaten Georgia Tech last week.

The Southeastern Conference may find its 1942 champion in the winner of Saturday's Dixie headline between two unbeaten powers, Georgia and Alabama. The latter was hard pressed to stop Kentucky, 14-0, for its fifth win, while Georgia breezed through Cincinnati, 35-13, for its sixth. Georgia Tech has a non-conference date with Duke, which rolled over Pitt, 28-0, for its second decisive triumph in a row.

Tulane, 29-14 winner over North Carolina, clashes with Vanderbilt and L. S. U., which

juried. The Xavier camp claimed Ungvary was hit by a Dayton griddier after play was completed.

The big crowd at the knock-down, drag-out battle between the bitter, long time rivals saw a lot of running plays by first-air crews from each team. Dayton was penalized 75 yards, Xavier 25.

Baujan accused Crowe of "handing out an alibi" and trying "to make his kids play 60-minute ball."

"His players weren't in shape," Baujan declared. After the first half "they couldn't take the gaff," he said.

"Last year when Xavier beat us 27-0, Mr. Crowe didn't let out a peep and neither did we."

Minor Baseball Loops To Be Hit by Draft, Too

CHICAGO, Oct. 26—(AP)—Collapse of class C and D minor baseball leagues was foreseen today by Bill Webb, supervisor of the Chicago White Sox farm system, by drafting 18 and 19 year olds for war service.

Webb predicted some 70 ball clubs would fold and only 20 per cent of their 400 players would survive.

routed Georgia Pre-flight, 34-0, tangles with Tennessee in other loop tilts.

The East's top-flight encounter brings unbeaten Army against Pennsylvania, which routed Columbia, 42-12, while Army was stopping Harvard, 14-0, last week.

Unbeaten Boston College, 27-0 winner over Wake Forest, catches Georgetown; Harvard battles Princeton, which handed Brown its first defeat, 32-12, and Brown faces Yale.

In the southwest, undefeated Texas Christian, fresh from a 21-0 triumph over the Pensacola Fliers, returns to Conference play against Baylor, which nipped Texas A. and M. 6-0. Texas, which pulled out a 12-7 decision over Rice, bangs into another league foe, Southern Methodist.

On the Pacific Coast, U. C. L. A., which booted Santa Clara out of the unbeaten ranks, 14-6, faces a stern test against Stanford, 14-6 winner over Southern California. After handing Washington a 19-6 surprise, California meets Oregon.

Here is the weekend schedule: Thursday night: Western Reserve at John Carroll.

53 Points a Game Piled Up by Team Of Georgia Reds

GRiffin, Ga., (AP)—Meet the "Kid" football team from Griffin High School—a bunch of 13 to 17-year-olds who have piled up 267 points, an average of 53.4 points per game, in five games this season and yielded only six to their opponents.

Six of the boys are 17, another 12 are 16, nine are 15 and a few third-string subs are 13 and 14 years old.

The team has beaten Athens High, a former North Georgia champion, 53-0, whipped La-Grange High 26-0, downed Cordele, 68-0, defeated Marietta, 59-0 and scorched Elberton High 61-6.

Captain Henry Walker, end, has scored 43 points, converting 25 of his 30 tries for points after touchdowns.

Grid Menu for Ohio Next Saturday Has List of 15 Games

By FRITZ HOWELL

COLUMBUS, Oct. 26—(AP)—This week end's "big game" for Buckeye football fans takes place on a foreign field, but 15 of the 18 contests on the slate are booked for Ohio gridirons.

The No. 1 battle undoubtedly is the Ohio State-Wisconsin scrap at Madison, Wis., and if it turns out like last season's struggle between the two Titans it will be well worth the trip. A year ago the Bucks triumphed 46 to 34 over the Badgers, as Coach Paul E. Brown of Ohio and Coach Harry Stuhldreher of Wisconsin, both graduates of Massillon High School, tangled for the first time.

They came up to this one with everything hanging in the balance. Ohio, the nation's top-ranking combination, has won five straight, rolling up 165 points to 39 for the foe. Wisconsin has defeated five opponents and tied Notre Dame, scoring 92 points to 32 for the opposition.

Wisconsin beat Purdue 13 to 0 Saturday, a week after the Bucks had subdued the Boiler-makers by twice that margin, 26 to 0, but no one figures Ohio State is twice as classy as the Badgers.

Here is the weekend schedule: Thursday night: Western Reserve at John Carroll.

Two Hostesses Give Lovely Dinner Bridge

One of the outstanding social events of the season was given by Mrs. Loren R. Ritenour and Mrs. J. D. Van Gundy, who were gracious hostesses to a dinner bridge party on Friday evening.

The party was held at the beautiful and spacious country home of Mrs. Ritenour, which was profusely decorated with fall flowers. At either end of the long living room, brilliantly hued oak leaves graced the windows. The entrance to the home was lighted by an electric pumpkin face which greeted the guests.

A delectable three course dinner was served at individual tables, each centered with fall flowers. Many clever Halloween suggestions were carried out during the dinner and through the ensuing evening of bridge, five tables being in play.

A corsage of defense stamps went to Miss Maud Routson for high score. Second high score went to Mrs. Jessie Reese and traveling prize to the Howard Stackhouse, of Cedarville.

The guests included Mrs. Irl Smith, of Sedalia, Mrs. John Ritenour, of Xenia, Mrs. Wallace Perrill, of Washington, C. H., Mrs. Frank Marshall, Mrs. John Robins, Mrs. Willis Reese, Miss Maud Routson, Mrs. Tom Jones, Mrs. W. D. Maag, Mrs. William S. Robinson, Mrs. John Capron, Mrs. Lewis Korn, Mrs. Arthur Porter, Mrs. W. W. Williams, Mrs. Marie Ensign, Mrs. Alvin G. Little, Mrs. Albert Vannorsdall, Mrs. Warner Straley and Mrs. Justin Owens.

Dinner Honors 18th Birthday of Donald Zurface

Mr. and Mrs. Frank Zurface and daughter, Helen, entertained very pleasantly with a birthday dinner Sunday at their home in honor of their son, Donald's eighteenth birthday.

The guests, comprising members of the family, met at the home at noon to enjoy a delicious pot-luck dinner which was served at one large and several small tables. The beautifully decorated birthday cake featured the decorations, carrying out a pink and white color scheme.

Those included in the hospitalities were: Mr. and Mrs. Ray Beekman, Mr. and Mrs. Delbert Beekman, Mrs. Eva Beekman and granddaughter, Glenna, Mr. Glenn Beekman, sons, Buddy and Kenneth, Mr. and Mrs. Robert Zurface and family, Mr. and Mrs. Richard Orr and family, Mr. Rodney Dean, of Atlanta, Mr. and Mrs. John Zurface and daughter, Marjorie Lou, of Wilmington.

A delightful afternoon of visiting and games rounded out the pleasures of the day.

Sunday Dinner Entertained by Kirkpatrick's

Mr. and Mrs. McKinley Kirkpatrick and daughter, Mrs. Robert W. Fennig, entertained very graciously on Sunday, assembling members of their family at their lovely home on Rawling Street.

The perfect October day, and the many pleasures afforded the guests made it one to be long remembered.

A course dinner was served at the noon hour, with the dining table handsomely appointed.

The guests included Mr. and Mrs. C. A. Kelley, Miss Ann Seeks and Mr. and Mrs. Frank Eggleston, of New Holland, Mr. and Mrs. Walter Eggleston, and daughter Alice and son, Don, of Connersville, Indiana, Mr. and Mrs. Mead Allen and daughter, Judy, Mr. Urban Allen, of Hillsboro, and Mr. and Mrs. John Allen, of London.

Mrs. Reser Is Guest of Honor At Dinner Party

Mrs. Lena Reser was a charming guest of honor on Sunday, when her three lovely daughters, Misses Mary Elizabeth, Mildred and Annalee, entertained with a dinner party, observing her birthday anniversary.

The dining table was handsomely appointed for the three course turkey dinner. A lace cover and a gorgeous centerpiece of white pottery watergarden filled abundantly with pink and white chrysanthemums and flanked by white swans, were greatly admired. The courses were most delicious and perfectly served and the hour one of many pleasures.

During the afternoon, visiting with the guest of honor in the attractive home, where numerous bouquets of fall flowers were arranged, was enjoyed. A large array of lovely assorted gifts was presented to Mrs. Reser.

The dinner guests included Mrs. S. A. Ringer, of Leesburg, Mr. and Mrs. Roy Hyer, of Columbus; Mr. and Mrs. Lawson Stuckey and Mr. and Mrs. Ursel Mossbarger and family. Other guests called to pay their compliments during the afternoon.

Miss May Duffee Is Honored by Ohioana Society

At the "Ohioana Library" luncheon held at the Deshler-Wallick Hotel Saturday, Miss May Duffee was one of the honor guests among a number, who were so honored by having presented to the library during the past year, a copy of a book or musical selection of their composing. Miss Duffee presented her booklet, "Patriotic Poems" this year. Her other published books and songs are also in the library, located in the State Office Building. Mrs. Myers Y. Cooper, founder of the library and former governor, Myers Y. Cooper, were among the many notables who were present. The luncheon was held in the ball room of the hotel where several hundred guests were seated.

Mrs. Depew Head, of Columbus, librarian and executive chairman had charge of the program and introduced each honor guest. Award for the best book presented during the year went to James R. Reston, of Montgomery County, for his book, "Prelude to Victory". Honorable mention to Walter Havinghurst, Butler County for "The Long Ships Passing". Also honorable mention to Willard M. Kiplinger, of Logan County, for "Washington Is Like That". The awards were made for books by Ohioans that contributed most to the understanding of present day America. The judges were Louis Bromfield, Mansfield; Grove Paterson, Toledo; Ted Robinson, Cleveland, and Clark Firestone, Cincinnati.

four of yesterday's Allied bag of seven Axis planes.

Reports on American airmen dominated the news from the Southwest Pacific and China.

Italy Blasted Again

In the European sectors of the air war there was an overnight lull while Britain tallied the results of four smashing bomber raids in three days on northern Italy's ports and industries. The attacks cost only eight bombers.

The Caproni bomber factory at Milan was the final target Saturday night. Only a few hours earlier Milan had been raided by daylight, the first such excursion against northern Italy in this war.

Tied in with this effort to impair Italy's role in the developing battle of Africa was a British submarine offensive in the Mediterranean credited with sinking five Italian supply ships, probably sinking an enemy destroyer and an armed merchant cruiser and heavily damaging five other supply ships.

These blows, the London Admiralty said, made a total of 24 Axis supply ships sunk or damaged by British submarines in the Mediterranean during October.

Russians Hold Stalingrad

The ebb and flow of battle in Stalingrad and on the flank of the German line northwest of the city made it difficult to appraise the Russian position there.

Frontline dispatches via Moscow said that the Russians held fast in the Volga city as the Germans launched another assault after a heavy barrage, and in a fierce engagement threw the enemy out of a factory property penetrated yesterday.

Whether the Russians had completely nullified the German occupation of two additional streets in Stalingrad was not clear. The Germans yesterday were reported to have won the streets at a cost of 3,000 German dead.

A return of Indian Summer had brought a resurgence of fierce fighting at Stalingrad but elsewhere on the Russian front winter was closing in.

The Germans said that several artillery hits had been scored on the Russian battleship Marat in the Bay of Leningrad.

GRAIN MARKET NEWS SUMMARY

CHICAGO, Oct. 26.—(P)

Grain prices were down fractions to almost a cent a bushel at one time today, rye leading the decline, but selling was on a very small scale and losses in some cases were reduced before the close.

Prices were depressed by hedging sales in the corn pit, liquidation of rye contracts due to poor commercial demand and the large supply of "free" grain available, and failure of flour business to revive. Wheat flour business has been quiet ever since establishment of ceiling prices more than three weeks ago.

Small buying orders attributed to mills raddied wheat in final dealings and prices closed unchanged to 3c higher compared with Saturday, December 12½c.

May 1.26½-1.27. Corn finished 1½-1.30 lower, December 79½-80c, May 84½-85c; oats 1½-1½c lower; soybeans unchanged to 3c off; rye 1½-1½c down, December 65½c.

HOME NURSING GOAL IS FIXED AT 1,000,000

So Far 500,000 Have Enrolled in Red Cross Nursing Force

Fayette County residents who have taken the Red Cross home nursing course of study under competent instructors here, are part of a half million who are now qualified in the nation, and new plans are being made to increase the number to 1,000,000 by June, 1945.

This is the goal set by the National Council on Red Cross Home Nursing.

Plans to extend the home nursing program to almost every community within the United States were made as the council marked its first anniversary with an announcement that 530,383 men, women and children have completed Red Cross Home Nursing courses since a goal of a half million was set last October.

Persons earning home nursing certificates through the expanded program will be entitled to wear a special Red Cross badge, now being designed. With their permission, they also will be registered with city and civilian defense officials for possible use in emergencies.

Mrs. August C. Belmont, chairman of the council, comprising government, army and navy health agencies and Red Cross representatives, said special emphasis will be laid on making home nursing courses available in rural areas. Approximately 33 percent of the home nursing certificates issued in the past three months have gone to residents of such areas.

The need for home nursing to compensate in part for the shortage of doctors and trained nurses, thousands of whom have entered army and navy medical and nursing corps, was stressed by Mrs. Belmont.

"Home nursing teaches women to serve primarily in their home," she said. "Since we are fighting to maintain our homes this is an objective which we should never lose sight of. However, we realize that the men, women and children who are receiving this instruction form an important backlog in case of a wartime epidemic or bombing. Their services at such a time is incalculable. But they do not need to wait for a disaster to build strong homes and relieve the acute shortage of doctors and nurses."

MRS. BERT ALLEN FUNERAL TUESDAY

Dies in Ambulance While En Route to Hospital

Funeral services for Mrs. Bert Allen, who passed away while enroute to a Columbus hospital, shortly before noon Saturday, will be held at the Alvin G. Little Funeral Home in Jeffersonville, Tuesday at 2 P. M. and burial will be made in the Fairview Cemetery northwest of Jeffersonville. Rev. E. R. Rector will conduct the services.

Mrs. Allen had been in ill health for many years, and the family physician, Dr. O. L. Wiseman was accompanying her to the Columbus hospital when the end came.

In addition to her husband she is survived by one daughter, Mrs. James Morgan, of Sedalia; two sisters and a brother, Mrs. Anna Mustane, Grove City; Mrs. Dora Wilt, Springfield, and Sherman Hornel. Nine grandchildren and two great grandchildren also survive.

Friends may call at her late residence four miles west of Jeffersonville.

THINK THIS OVER

If we expect to continue the wise and efficient administration of our State government under the leadership of Governor Bricker, it is necessary to elect a Republican legislature.

As the Republican candidate for State Representative to the legislature, I offer to serve Fayette County after having had many years of experience in the practice of law, as prosecuting attorney and city solicitor, and operation of farm lands.

FUNERAL SERVICES HELD FOR CHILD

Funeral services for William Everett Matthews, infant son of Mr. and Mrs. Albert Matthews, were held Saturday at 3 P. M. at the Klever Funeral Home.

Rev. George B. Parkin, pastor of Grace Methodist Church conducted the services, and read the hymn "When the Hour Cometh."

There were many beautiful floral pieces.

Interment was made in the family lot in the Greenfield Cemetery.

CERTIFICATES FOR 150 TRUCKS ISSUED HERE

Many Truck Owners Are Still Without Necessary Papers

So far over 150 truck owners in Fayette County have filled out applications for war necessity certificates in Fayette County, and requests for application blanks have been sent to Columbus for nearly 100 additional truck owners, it was stated Monday by Harry Silcott, member of the Farm Transportation Committee.

All truck owners were supposed to file their applications by the close of business Saturday, but probably 100 or more have not yet filed, although they must have the war necessity certificates by November 15 if they obtain gasoline and be eligible for tires.

There are upward of 500 trucks in the county, and it is believed that many owners filed their applications direct without asking assistance.

Many others will file during this week, and if assistance is needed, they can still obtain it at the office of the Farm Transportation Committee.

HONGKONG ABLAZE AFTER ASSAULT BY AMERICAN BOMBERS

(Continued from Page One)

colony with the greatest raid yet executed by the China air task force.

Many fires were started in the Kowloon dock area, a communication said.

Japanese fighters intercepted the American formation after the bombing and the American fliers shot down ten Japanese planes and probably destroyed five more. One American bomber failed to return from the mission and a fighter pilot, slightly wounded, made a forced landing in Chinese territory.

Long stretches of the once humming dock area in Hongkong were blown up by the bombers and several ships were hit. Fire engines were licking at warehouses and other buildings as the American planes headed for their base.

While the bombers were visiting Hongkong, six other American fighters found 20 Japanese fighters in the air over South Yunnan Province, southwest China, and shot down three planes and probably destroyed four more without loss of American aircraft. This brought the day's score over China to 13 Japanese planes certainly destroyed and probably nine others.

It was the first time the Japanese conquerors of Hongkong had been attacked in the stronghold since they occupied it last Christmas.

(The Japanese, in their broadcast version of the raid, quoted the government general as describing damage as negligible.)

Brig. Gen. Claire L. Chennault's air task force, in a 12-hour flight October 21, destroyed the power plant and put out of commission a number of the Kailan coal mines 80 miles northeast of Tientsin.

Japan has been drawing heavily on the mines for her industries.

No Japanese planes were encountered and all the American planes returned.

PLAN DIVIDED LANE HIGHWAY

Post War Plans Announced By the State Highway Department

Plans have been announced by the State Highway Department for the first important highway construction after the war, and it is for a divided lane road between Circleville and Columbus on U. S. 23.

Engineers have spent much time during recent months, making a complete survey of the route, and plans call for straightening the road at Big Walnut Creek and constructing a new bridge, the present one having been the scene of many collisions.

Route 23 carries a heavy flow of traffic and by reason of its comparative narrow width, a great many serious accidents have occurred on it in the past few years.

VIOLETS IN BLOOM AT PRESENT TIME

Mrs. Inez Boswell, 610 Sycamore Street, has wild violets blooming in her yard, and a specimen was sent to the Record Herald office Monday morning, the violet being fully developed and apparently just as healthy as those that bloom at the regular time in the spring.

Reports of other violets in bloom have come from various parts of the community recently, and in some instances roses are still in bloom.

TESTS FOR DRIVERS HERE EVERY WEEK

Examinations To Be Given For Drivers' License

Examinations for drivers' licenses will be held here at the state highway department garage, West Elm Street at the D. T. & L. R. R., every Thursday for an indefinite period, Lt. A. O. Smith of the State Highway Patrol has announced.

Although the examinations will be under the supervision of the Highway Patrol, Lt. Smith said they would be given by a civilian examiner.

The examinations, he explained, would be both oral and actual operation.

They are necessary for applicants who do not hold last year's licenses.

AUTOMOBILE ON FIRE DUE TO BACKFIRING

Backfiring caused fire about the motor of Ralph Lloyd's automobile, on East Street, shortly after 9 P. M. Sunday night, and resulted in firemen being called to the scene.

L. F. Everhart, using a hand extinguisher, had virtually extinguished the fire when the firemen arrived.

Damage to the car was comparatively light.

I Agree with Our Governor's Statement

that the huge surplus in the State Treasury is Tax Payers' money.

It is also true that the \$8,000.00 debt which Fayette County incurred for poor relief in 1941 is the Tax Payers' debt.

Do you Business Men and Farmers borrow money when you have a large balance in the bank?

Legislation enacted by the present Administration in 1938, made it necessary for the Tax Payers of Fayette County to borrow \$8,000.00 when a huge surplus of Tax Payers' money was in the State Treasury.

My opponent calls this "wise and efficient administration."

I call it unjust and inefficient maladministration.

In 1941, Fayette County received \$16,457.28 to assist Local Governments.

Had the tax laws not been changed by the present administration in 1938, Fayette County would have received over \$25,000.00.

This means that Fayette County lost about \$9,000.00 in tax revenue in 1941.

What became of this \$9,000.00?

It helped to build up that huge surplus in the State Treasury.

I believe that it is entirely wrong for one branch of government to be over-financed, while others are under-financed.

If I am elected as your Representative to the General Assembly, I will do everything in my power to secure a more equitable distribution of tax monies.

I want a square deal for Fayette County.

CAR RECOVERED; MAN ARRESTED FOR AUTO THEFT

Farm Hand Picked Up Here And Is Taken Back to Clinton County

Sheriff W. H. Icenhower, assisted by Constable Carrol Ater, picked up Hugh Patrick Morarity, 19, farm hand on the Mike Mulvihill farm in eastern Clinton County, Sunday, soon after Mulvihill had discovered his auto, a new Buick, had been stolen from his garage, and had reported the theft to Sheriff Icenhower.

Suspecting Morarity, Sheriff Icenhower had Ater to keep a lookout for the man, and it was not long until Ater had placed him under arrest.

The stolen car was found parked on North North Street, and Morarity surrendered the key. He was locked up here and later in the day Sheriff Ed Hodson of Clinton County, came after him and returned him to that county for prosecution.

The car, which Morarity said he had driven to Springfield and other places, was not damaged.

Two years ago Mulvihill had a team of valuable horses stolen, but he never heard from the stolen horses, although a reward of \$250 was offered for return of the horses and arrest of the thief.

Several Arrests Made by Police over Week End

Two drivers, both of Dayton, were picked up by State Highway Patrol officers on the Jamestown road around the midnight hour, Saturday night, and placed in city prison to await arraignment.

The two men were John Doane and William J. Combs, the police blotter shows.

Roy Busick, this city, was picked up by the police over the week end, on a charge of disorderly conduct and being intoxicated.

Two arrests were made for intoxication.

All were scheduled to face Judge S. A. Murry Monday.
